come, thy will be done on earth as it is

that saved a wretch like me. I once

grace my fears relieved. How precious

Memories. They remind us of people and things we hold dear. They bring us smiles, laughter and sometimes tears. No matter what others may do or say, nothing will ever take these memories away. Memories are more than just a link to the past, sometimes they're all we have that last.

If tears could build a stairway and memories a lane, I'd walk right up to heaven and bring you back again. My heart still aches with sadness and secret tears still flow. What it meant to love you no one can ever know. But now I know you want me to mourn for you no more; to remember all the happy times, life still has much in store. Since you'll never be forgotten, I pledge to you today - a hallowed place within.

Footprints in the sand.

I noticed that during the most trying periods of my life there have been one set of prints in the sand. Why, when I needed you most, have you not been there for me? The Lord replied, "The times when you have seen only one set of footprints is when I carried you".

*So go run free with the Angels,
Dance around the golden clouds, -
for the Lord has chosen for you to be
with Him, and we should feel nothing
but proud. Although he has taken
you from us, and our pain a lifetime
will last, Your memory will never
escape us, but make us glad for the
time we had. Your face will always
be hidden, Deep inside our hearts,
Each precious moment you gave us,
shall never, ever depart.*
